Blue Ocean's Hibernial Sea Stories is Published

Sea Stories is Blue Ocean Institute's quarterly online journal of international ocean writing and art.

Published by Casey R. Schulke from the Chicago Zoological Society and K.R. Copeland, a widely published Chicago poet and poetry journal editor, Sea Stories welcomes memoir, poetry, descriptive prose, and imaginative nonfiction, as well as photographs, drawings, or other visual arts.

Please visit Sea Stories online (<http://seastories.org/>) to enjoy its inspiring and moving works.
